

# **Warm Hearts, Full Pantries**

We are thrilled to announce the "soft launch" of our very own School Community Food Pantry!

To kick things off, we are offering Winter Break Care Packages. We hope these packages will offer some support to your family while school is closed for the winter holidays.

Your Privacy Matters - We understand that food security is a sensitive matter. Please be assured that all requests are met with dignity and privacy.

If you would like to receive a care package, please fill out the form below and return it to school with your student ASAP.

*We are so happy to be able to offer this resource to our school community!*
